

Funding Guidelines

United Capital Funding Group is nationally recognized as a leading provider of working capital finance throughout the United States, having provided more than \$3 billion in funding to B2B and B2G clients since 1997.

Our service

Accounts receivable funding - we purchase slow-paying invoices, giving clients fast access to those funds.

Relationship size

\$20,000 to \$5,000,000 monthly revenue, including participations with a proven network of financial partners.

Geographic preferences

Companies based in the United States.

Collateral

Accounts receivables, inventory and other assets.

Financial performance

- No minimum number of years in business requirement.
- FICO score and an extensive background check on owners/principals are required.
- Companies with historical losses or deficit net worth are considered.

Professional fees

- In most cases, you can receive at least 80% of eligible accounts receivables.
- An innovative five-day fee schedule.
